ABRAXAS Youth & Family Services

About ABRAXAS

For over 40 years, Abraxas has been providing innovative and quality residential and community based treatment services for youth who have experienced significant difficulty functioning in their homes, communities and schools. Abraxas programs offer specialized treatment options for youth with histories of delinquency, behavioral disorders, mental health and emotional disorders, substance abuse, firesetting, sexually abusive behaviors, and educational problems.

In addition to our youth services, Abraxas also provides a variety of substance abuse treatment options in both residential and community based settings for adults.

Abraxas utilizes evidence based practices to foster personal growth and build the life skills and competencies necessary for individuals to become responsible and productive members of society. We provide a continuum of quality services in safe, culturally competent, and gender appropriate environments. Our therapeutic and educational services are strength-based, client-centered, family-oriented, and trauma-focused.
