ABOUT US

Abraxas Youth & Family Services is a national leader in the operation of community based and residential programming for at-risk youth, adults and families. Delivering innovative, personalized and collaborative services for 45 years, Abraxas offers treatment, behavioral health services, educational & vocational support, life skills, family counseling, recreation and community engagement. Our treatment services are strength-based, client-centered, family-oriented and trauma-focused. Abraxas has established a diversified continuum of care to include alternative education, in-home services, outpatient clinics, group counseling, aftercare services, detention and shelter care and a variety of out of home services from transitional living to secure treatment.
